From the President

Saturday at our Branch meeting Roberta Smiley-Betzler said “AAUW has something to offer for every stage of life”. WOW she said it all.

Some of us have used AAUW as our “welcome wagon” as we moved from city to city.

Some of us have joined after retirement as a way to stay active and involved in our communities and for the companionship of others.

Some of us have joined so that adult voices and words might be part of our life each month.

Some of us have joined for professional and personal development.

Some of us have joined because others urged us to join them in their adventures.

What ever the reason coming to AAUW opens doors to knowledge, friendships, and really good conversations. I say, let’s each celebrate our reasons for being a member of this great organization, AAUW. So while you are celebrating find a good friend and invite her to join us for a meeting, a luncheon, or an interest group. Think of all the good you will be sharing. I am proud to be a member.

I do hope to see all of you along with your friends at the March Luncheon on March 26 at the Wildwood Country Club. It is going to be a wonderful event.

Sylvia
